

# MIDDLE CRAWFORD ROAD ASSOCIATION

BUILDING THE CRAWFORD ROAD COMMUNITY

## SEPTEMBER 2021 BOARD MEETING MINUTES WED Sep 28, 2021

5:00 Zoom

**Call to order: 1704**

**Attendees:** Mary, Rolfe, Tara & Carly

**Treasurers Report** by Mary.

**Operating Account - \$7,517** Another \$1200 expected.

**Reserve Account - \$17,009.**

### Meeting Minutes

- Mary made a motion to approve the June and the August board meeting minutes. Rolfe seconded the motion. Motion passes.

### Old Business:

- Mitch did a rough grade on Crawford but was discouraged at the loss of material. He would like to add a more substantial crown in the LATE fall but for now just did a rough grade. This current grade is \$1,500.
- \$5,000 from Operating Account was moved to the Reserve account as voted.
- Blocks and humps – Mary will be out to paint this week.

### New Business:

- Christian Kittle and the mailboxes and the frequent thefts that are occurring there – questions to consider
  - – Can we get package delivery boxes installed?
  - – Do we need to put them in order?
  - – How many boxes are there?
  - – How many are already lock boxes?
  - – What is the interest – how many more are needed?
  - – What is the cost?
  - – How do we see MCRA being involved in the resolution to this problem?

More research is needed to answer some of these questions but MCRA's focused actions with regards to the mailboxes will be:

# MIDDLE CRAWFORD ROAD ASSOCIATION

BUILDING THE CRAWFORD ROAD COMMUNITY

---

- Do we have permission from the county to pursue this project?
- What Type of system would be best?
- Is the community interested in supporting this project?
  
- Signs for speed humps- Signage for notification of upcoming speed humps and speed limit was discussed. Each post on either end of the humps would support a 30" X 30" yellow triangle sign indicating that humps are ahead and then a second sign (18" x 24") in white with the speed limit would be below the yellow sign.
  - Motion made by Carly to approve obtaining the signage as long as it was < \$500 per our budget. Mary seconded the motion. Motion passed

Tara will be responsible for getting the signs made.

- Possibility that Coupeville has some retired DOT cones/signage that is no longer being used. Carly will call the Island County road shop to see if there is anything available that we could use.
  
- 2022 Budget – for the following meeting

**Adjourn: 1803**
