TIP / Public Comment –

- Letters to Public Works and Commissioners by March 28th to be considered for the TIP
- Melanie tea in March - 3:00pm Freeland - 3/13 - 3/20 - 3/27 – we need concerned community members at each of these teas.
- Public comment at the commissioners meeting in Coupeville on Tuesdays at 10am
- On top of the letter writing campaign, discussion around getting the greater community involved via social media and signing petitions. Board in favor of creating a website with a QR code where people can get informed and sign a petition supporting Crawford Road. Change.org is a method in which this could be obtained.
- Max is going to get updated accident numbers related to 525 and Crawford Rd / Pioneer Park
- Don is going to reach out to some county workers he knows and see if there is a way to influence the county from that direction.
- Tara is going to provide airport data to Lisa Woods to assist in her letter(s)

UPDATE NEW ROAD –Mary has invited Curt Gordon to speak to the board, but he has so far declined. There has still not been a release of the new road on the South end that is proposed by Curt Gordon.

BUILDING THE CRAWFORD ROAD COMMUNITY

NORTH GRAVEL ROAD – We added 3 loads of new material to the North Section of Crawford. It will need a bit more.

Pioneer Park HOA – Mary is reaching out to the Pioneer Park community to see if they would like to participate in trying to obtain a safer intersection off 525.
